SOUTHERN CALIFORNIA YACHTING ASSOCIATION

Dear Racers:

Welcome to Southern California Yachting Association's 85th Annual Midwinter Regatta. This unique event will be held at twenty-four venues stretching from Ventura to San Diego to Arizona. There will be over 100 classes represented, including one-design, PHRF, cruising, dinghies and R/C model boats. Whether you are an experienced ocean racer, dinghy sailor or a cruiser that just wants to have a fun weekend on the water - this is the event for you.

With over 600 boats and 2500 participants expected, you have the opportunity to test your skills against some of the best sailors in your area. Come out to see if your team can earn one of the many take-home trophies and perhaps get your name on one of the perpetual trophies to be proudly displayed at your host yacht club. The host clubs will be working very hard to make this a fun event and showcase what they offer the yachting community.

Race entry fees support the Southern California Yachting Association, a private, non-profit organization founded in 1921 that provides support and promotion of amateur and recreational boating in its defined area. In addition, a portion of the proceeds is returned to the host club to offset expenses. SCYA publishes the Annual Race Calendar and Yacht Club Directory for its member clubs; as well as sponsors boating safety seminars, provides a staffed service center to assist our member clubs, annually honors clubs and outstanding individuals that strive for excellence, and provides a yachting presence to public agencies having influence over the boating community. Learn more about SCYA, our services and upcoming events at www.SCYA.org.

On behalf of the SCYA Midwinter Committee, thank you for participating in this year's regatta. We are confident that the Midwinters will be a wonderful racing experience and networking opportunity. If you need any additional information, please do not hesitate to contact me 619-757-3915 or e-mail me at MWChair@live.com
